DISCHARGE INSTRUCTIONS
FOLLOWING SEDATION

ADULT:
The medicine or sedation that was used to relax you for the purpose of acquiring your MRI examination will be acting within your body for the next 24 hours. You may feel sleepy or may be unsteady when you leave the MRI facility.

- **DO NOT** perform any activity requiring mental alertness or physical coordination, even if you feel that you are no longer under the influence of a sedative. (This could be up to 2 days.)
- **DO NOT** operate a motor vehicle or heavy equipment
- **DO NOT** make decisions which may have legal consequences or require the signing of a contract (up to 2 days)

You may resume normal activities tomorrow.

If you have any questions or concerns, contact your family physician or the physician that referred you for this exam. That physician may contact McLaren Flint MRI for specifics as to drug, dose, route, time, and the supervising Radiologist overseeing your exam.
