Spec Info:

1. Use a new inventory record at each morning shift change. The previous day's record must be completed at the same time.
2. Controlled drugs must be counted and verified with the inventory record at each shift change. Both on-going and last going nurses must sign the record.
3. All entries made upon this form sheet must be in ink.
4. All Controlled drugs must be recorded when administered to the patient, lost, broken, or contaminated.
5. Please check off after additional administration of a product on an injection or unit dose and dosage form may be destroyed provided that the destruction is witnessed and corroborated on the inventory record by a second responsible person.
