PATIENT RIGHTS

**As a patient of McLaren Macomb and its subsidiaries, you have the following rights and responsibilities:**

**No discrimination:** A patient will not be denied healthcare on the basis of race, gender, religion, national origin, age, ability, sexual orientation, marital status, or source of payment.

**Respect for individual freedom:** A patient has the right to refuse or to stop any medical procedure or treatment at any time, and to give or withhold informed consent to any medical procedure or treatment. A patient who is unable to give or withhold informed consent to any medical procedure or treatment will be treated in accordance with the patient's best interests, and the patient's legal representative, if any, will be consulted.

**Confidentiality of records:** A patient's medical records are confidential. A patient has the right to inspect and review their medical records, and to request copies of their medical records. A patient also has the right to request that their medical records be amended or corrected. A patient's medical records will be kept confidential, and will not be shared with anyone who does not have a legitimate need to know.

**Privacy:** A patient is entitled to privacy in the patient's health information, and to control the use and disclosure of their health information.

**Request:** A patient is entitled to request a copy of their health information, and to request that their health information be amended or corrected.

**Appointments:** A patient is entitled to make appointments with their healthcare provider, and to request that their appointments be made at a convenient time and place.

**Informed decision:** A patient has the right to make informed decisions about their healthcare. A patient is entitled to receive information about their healthcare, and to understand that information. A patient is also entitled to ask questions, and to receive answers to their questions.

**Refusal of treatment:** A patient is entitled to refuse or to stop any medical procedure or treatment at any time, and to give or withhold informed consent to any medical procedure or treatment. A patient who is unable to give or withhold informed consent to any medical procedure or treatment will be treated in accordance with the patient's best interests, and the patient's legal representative, if any, will be consulted.

**Right of appeal:** A patient is entitled to appeal any action taken by McLaren Macomb that the patient believes is unfair or unjust.

**Complaint procedure:** A patient is entitled to file a complaint with McLaren Macomb if they are not satisfied with the care they receive. A patient's complaint will be handled in a fair and equitable manner.

**Right of exit:** A patient is entitled to leave McLaren Macomb at any time, and to request that their medical records be transferred to another healthcare provider.

**Advance directives:** A patient is entitled to create an advance directive, and to request that their advance directive be followed.

Spec Info:

PATIENT RESPONSIBILITIES

**Medical history:** A patient is responsible for providing honest and complete information about their medical history to their healthcare provider.

**Medical decision making:** A patient is responsible for making decisions about their healthcare, and for understanding the consequences of those decisions.

**Medical payment:** A patient is responsible for paying for their healthcare, and for understanding the consequences of their payment.

**Medical compliance:** A patient is responsible for following the instructions of their healthcare provider, and for understanding the consequences of their compliance.

**Return to office and for payment:** A patient is responsible for returning to their healthcare provider for follow-up care, and for understanding the consequences of their return.

**Medical records and confidentiality:** A patient is responsible for understanding their rights and responsibilities regarding their medical records, and for understanding the consequences of their actions.
