As with any medication, there are risks and possible side effects/reactions. Side effects/reactions of influenza vaccine are generally mild, usually occur soon after vaccination and last for 1-2 days. In rare cases, side effects/reactions of influenza vaccine may include anaphylaxis and even death. If you think you are having a severe reaction or other emergency, STOP, SEEK HELP, CALL 911/911/911.

I have received and reviewed the Influenza Vaccine Information Statement (ISVIS) (2019) and have had the opportunity to ask questions. I have been advised to remain under observation for at least 15 minutes following vaccination. I understand the benefits and the risks of the influenza vaccine as described. I hereby agree to release and hold McLaren Medical Group, its employees, agents and representatives, harmless from further responsibility with regard to my receiving the vaccine. I request the influenza vaccine to be given to me or to the person named for whom I am authorized to sign.
