Directions to our office:

McLaren Digestive Health Associates is located inside the Medical Office Building at the McLaren Northern Michigan Hospital campus.

Entrance to the building is located off Jackson Street on the south side of the campus. Follow the curvy drive to the main doors and patient parking (including handicapped spaces).

In the main lobby, take the elevators down to level 'S1' or main floor. Off the elevators, turn left twice to head down the long hallway. Look for the "Digestive Health" locator on the overhead signs. We are the last office on the left, past the hospital hallway and before the automatic doors.

Please note: The McLaren campus is currently under construction. Please allow extra time for any delays.
