McLaren Bay Region has a financial interest in McLaren Homecare Group, as both are owned and operated by McLaren Health Care. With the exception of McLaren Homecare Group, McLaren Bay Region has not conducted any independent investigation nor verification regarding the businesses listed on the reverse side. McLaren Bay Region will make no representations regarding the level of care provided by any agency other than those that are part of McLaren Health Care. You, as the patient or patient's representative, have the responsibility to investigate any agency to ensure it meets your needs.
