FAMILY BIRTHPLACE

Dear

Congratulations on the birth of your baby!
We are so glad that you were able to attend our "Boot Camp for New Dads" Workshop.

We hope you are enjoying the joys and challenges of fatherhood. It's quite an adjustment, but well worth it, as you form this positive, lifelong bond with your child.

You are now invited to participate as a "veteran father" at an upcoming Boot Camp Workshop. There is no fee for this class. If you attend, you will receive *Boot Camp Vet* gifts for you and your baby. Please bring your baby to camp with you, as this is a vital part of passing down information and "hands-on" experience to other expectant fathers, as you once were.

Again, congratulations and may you treasure the parenting journey!

Your Boot Camp Facilitators

Future Workshop Dates:

**These workshops take place at the Health Pavilion
Childbirth Classroom.**

If you are able to attend a workshop or have any questions, please contact Becky (Childbirth Educator) at 989-894-3935 or per email at rebecca.morgan@mclaren.org.
