DOING WHAT'S BEST.

Dr. Colby-Scott is the only provider in the Great Lakes Bay Region with advanced training in disorders of the ear, hearing, and balance, including cochlear implantation. Special interests include:

**Hearing loss and cochlear implants:** Evaluation and management of hearing loss for both children and adults including surgical and implantable options and audiological services. We are the only center in the region to offer diagnostic hearing evaluation to newborns and children in addition to medical and surgical care.

**Chronic ear infections and cholesteatoma:** Medical and surgical evaluation and care of chronic ear disease.

**Dizziness and balance disorders:** Assessment and care of patients of dizziness with imbalance disorders, including medical and surgical treatments of Meniere's disease, vestibular migraines, and BPPV, among others.

**Migraines:** Evaluation, assessment, and management of chronic migraines, including injectable treatment options.

**Facial nerve disorders:** Assessment, medical and surgical care of facial nerve disorders such as Bell's Palsy and herpetical zoster.

**Acoustic neuroma:** Assessment, medical and surgical care of patients.
