 Misc Info:

**Harris Dabidwan, M.D.**, is board certified in both general surgery and critical care surgery with special expertise in bariatric surgery. He is a designated Bariatric Center of Excellence surgeon. Dr. Dabidwan received his medical degree from the Royal College of Surgeons in Dublin, Ireland and completed his internship and surgical residence at Hurley Medical Center in Flint.

**Michael Xia, D.O., FACOS**, is a board certified general surgeon and a designated Bariatric Center of Excellence surgeon. Dr. Xia is fellowship trained in minimally invasive and robotic surgery from the University of Texas in Houston. He specializes in advanced laparoscopic and bariatric surgery. Dr. Xia received his medical degree from Tufts University in San Francisco, and he completed his training in general surgery through Michigan State University.

**Nicole Franklin, Psy.D.**, provides psychological support to bariatric patients before and after their surgery. She also conducts the psychological evaluations to determine whether someone is a suitable candidate for surgery. Dr. Franklin is a graduate of Wright State University School of Professional Psychology in Dayton, Ohio. She completed fellowship training in psychology with the McLaren Family Practice Residency.

**Terry Brooks, RN**, is a certified bariatric nurse through the American Society for Metabolic and Bariatric Surgery. Terry graduated from University of Michigan Flint in 2010. She holds a Master of Science in Nursing.

**Nicole Kinnaman, NP**, is a certified nurse practitioner caring for patients at the McLaren Bariatric and Metabolic Institute in Okemos. Nicole received a Bachelor of Science in Nursing from Saginaw Valley State University and a Master of Science in Nursing from the University of Michigan in Ann Arbor.
