- 

Marie O'Sullivan, MD, is board certified in both general surgery and critical care surgery with special expertise in bariatric surgery. She is a designated Bariatric Center of Excellence surgeon. Dr. O'Sullivan received her medical degree from the Royal College of Surgeons in Dublin, Ireland and completed her internship and surgical residence at Hurley Medical Center in Flint.
- 

Michael Kim, D.O., FRCOS, is a board certified general surgeon and a designated Bariatric Center of Excellence surgeon. Dr. Kim's fellowship trained in minimally invasive and robotic surgery from the University of Texas in Houston. He specializes in advanced laparoscopic and bariatric surgery. Dr. Kim received his medical degree from Tufts University in San Francisco, and he completed his training in general surgery through Michigan State University.
- 

Nicole Franklin, PsyD, provides psychological support to bariatric patients before and after their surgery. She also conducts the psychological evaluations to determine whether someone is a suitable candidate for surgery. Dr. Franklin is a graduate of Wright State University School of Professional Psychology in Dayton, Ohio. She completed her fellowship in psychology with the McLaren Family Practice Residency.
- 

Tanya Blesie, PhD, is a certified bariatric nurse through the American Society for Metabolic and Bariatric Surgery. Tanya graduated from University of Michigan Flint in 2010. She holds a Master of Science in Nursing.
