> Access your health information online with myMcLarenchart

McLaren Health Care believes in empowering patients to manage their health by providing convenient access to their health information. That's why we've created My McLaren Chart, a secure online portal where patients can access their medical information 24 hours a day, seven days a week.

With a free My McLaren Chart account, patients can:

- > Access their medical information 24 hours a day, seven days a week
- > Review clinical summaries and care instructions about recent visits
- > Get lab and test results

All you need to create a My McLaren Chart account is to provide a valid email address during registration at the hospital or your next visit to a McLaren physician office or outpatient facility.
