Michael Kia, MD, FRCGS, is a board-certified general surgeon and a designated Baromet Center of Excellence surgeon. Dr. Kia is fellowship trained in minimally-invasive and robotic surgery from the University of Texas in Houston. He specializes in advanced laparoscopic and bariatric surgery. Dr. Kia received his medical degree from Santa University in San Francisco, and he completed his training in general surgery through Michigan State University.

Nicole Franklin, PsyD, provides psychological support to bariatric patients before and after their surgery. She also conducts the psychological evaluations to determine whether someone is a suitable candidate for surgery. Dr. Franklin is a graduate of Wright State University School of Professional Psychology in Dayton, Ohio. She completed fellowship training in psychology with the McLaren Family Practice Residency.

Tanya Brooks, FNP, is a certified bariatric nurse through the American Society for Metabolic and Bariatric Surgery. Tanya graduated from University of Michigan Flint in 2010. She holds a Master of Science in Nursing.
