GREATER LANSING

MID-MICHIGAN PHYSICIANS

How It Works

Just stop in at any Mid-Michigan Physicians location with your photo ID and your email address and ask any of our patient registration staff to sign you up for FollowMyHealth. Enrollment is open to patients 18 and older.

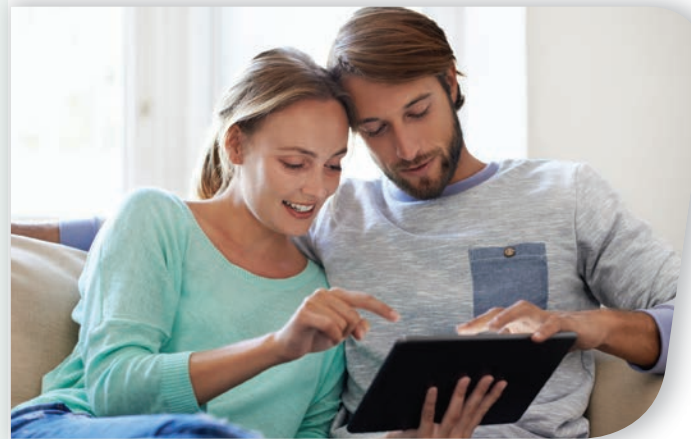

After signing up, you will receive an email invitation with a link to activate your account and create an authentication ID.

To complete this online process, you will be required to enter an "Invitation Code", which is provided below.

Please keep this code for when you receive your invitation email.

FollowMyHealth™ allows patients to:

- Retrieve updated health information electronically anywhere, anytime
- View lab results
- Receive reminders of upcoming appointments
- View medications, allergies and vaccinations
- Download, email and fax your health records
- Pay your MMP bill
- Get navigation assistance to your doctor's office
- Communicate securely with your doctors

Access your health record on your mobile device!
