CLARKSTON

Because when it's an emergency—every second counts

Convenient Location, Highly-Qualified Staff

Located on Bow Pointe Drive near Sashabaw Road and I-75 in Clarkston, our facility is easily accessible. And you don't have to wait long since most patients are seen by a physician within 30 minutes of arrival.

Staffed with board-certified emergency physicians, registered nurses trained in emergency medicine and paramedics onsite, our team is ready to accept ambulance traffic as well as walk-in patients 24/7.

You don't have to travel far to get expert ER care.

At the McLaren Clarkston Emergency Center, our trauma-trained team is always ready to provide expert medical care right in your own community.

Comprehensive Care in a Comfortable Facility

From life's bumps and bruises to a serious illness, our staff is focused on delivering high-quality care with compassion and urgency. Our certification as a Chest Pain Center and Primary Stroke Center also assures you that we can handle conditions related to cardiac distress and stroke. Support services you may need are also provided onsite, including state-of-the-art X-ray, CT, ultrasound, MRI and lab services.

While no one wants to visit an emergency room, when you come to the McLaren Clarkston Emergency Center, you'll find our facility comforting and spacious with 20 treatment areas that include 14 private rooms, along with a cardiac monitoring and isolation room.

The next time you or your family need emergency care, come to the McLaren Clarkston Emergency Center.
