

You are being transferred to McLaren Oakland

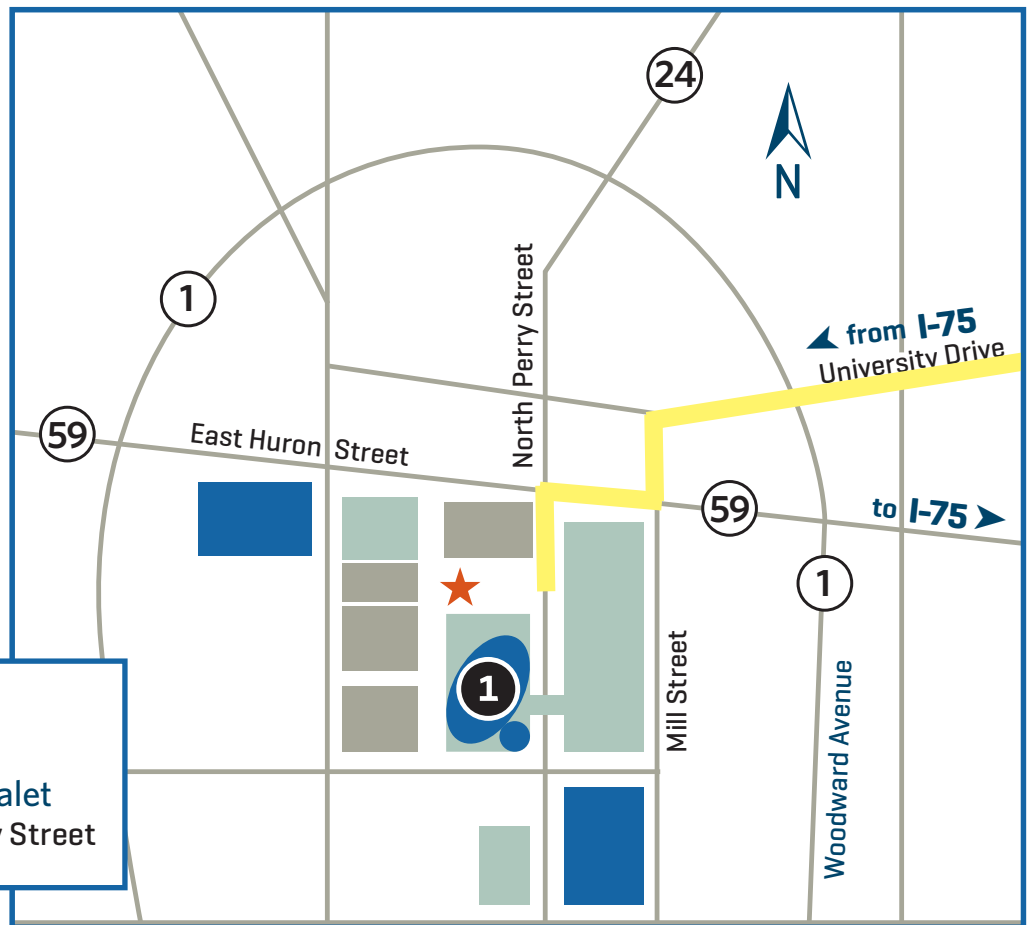

What can you expect?

You will be transferred to McLaren Oakland via ambulance. It will take approximately 20 minutes to get to the hospital from McLaren Clarkston. Upon your arrival you will be quickly transferred to a room that is waiting for you. Your loved ones can follow the ambulance to the hospital where they will be directed to the hospital's main entrance and will receive complimentary valet service. Our patient experience representative or a member of our security staff will meet your loved ones at the valet entrance and promptly escort them to your room.
