## McLaren Macomb Diagnostic Imaging

### Suite 120

McLaren Macomb Diagnostic Imaging provides patients with convenient access to a wide range of imaging services that support early detection, evaluation and diagnosis. Our team of highly skilled radiologists and technologists work together with each patient's personal physician to coordinate care. Services by appointment include: CT scan, MRI, ultrasound and mammography. No appointment necessary for routine x-ray.\*

A physician referral is required for all diagnostic testing. In most cases we are able to schedule an imaging appointment within 48 hours. We accommodate patients who require urgent testing.
