Spiritual care services at Karmanos Cancer Institute at McLaren Oakland are provided by spiritual care volunteers.

You may request prayer support by filling out the attached prayer request card and placing it in the prayer box in the cancer center lobby. You may also request a visit with a spiritual care volunteer while you are here, or leave a message at (248) 922-6610.

## Available

Spiritual care volunteers are available to patients and their families at the cancer center on a one-on-one basis by simply calling and setting up a time for a visit. The service is offered without fee or compensation.

## Respectful

Our goal is to provide spiritual support to patients and their family members - we respect the patient's right to privacy as well as his/her own religious beliefs and expressions of worship. Conversations between spiritual care volunteers and patients are held in confidence and do not become part of the patient's health record.

## Encouraging

Our desire is to encourage patients by listening to their concerns, offering spiritual insights, and praying for them and their families. Family members of patients are encouraged to make use of spiritual care services as well.
