I have read the Centers for Disease Control and Prevention's (CDC) Vaccine Information Statement(s) explaining the vaccine(s) and the disease(s) they prevent. My child's health care provider has explained to me and I understand the following:

- The **purpose** of the recommended vaccine(s).
- The **risks** of disease and the **benefits and potential risks** of the recommended vaccine(s).
- The **possible consequence(s)** of not allowing my child to receive the recommended vaccine(s) may include contracting the illness the vaccine is intended to prevent and spreading the disease to others.
- My child's health care provider, the American Academy of Pediatrics, the American Academy of Family Physicians, the CDC, and the Michigan Department of Health and Human Services **strongly recommend** that the vaccine(s) be given.

My child's health care provider has answered all my questions.

I know that I may change my mind and accept vaccination for my child in the future.
