Pastoral care services at Karmanos Cancer Institute at McLaren Macomb are provided by the chaplain.

You may request prayer support by filling out the attached Chaplain Request Card and placing it in the prayer box in the Cancer Center lobby. You may also request a visit with the chaplain while you are here, or you can call the chaplain directly at (586) 493-8288.

Available

Our chaplain is available to patients and their families at the Cancer Center on a one-on-one basis by simply calling and setting up a time for a visit. The service is offered without fee or compensation.

Respectful

Our goal is to provide spiritual support to patients and their family members — we respect the patient's right to privacy as well as his/her own religious beliefs and expressions of worship. Conversations between chaplain and patient are held in confidence and do not become part of the patient's health records.

Encouraging

Our desire is to encourage our patients by listening to their concerns, offering spiritual insights, and praying for them and their families. Family members of patients are encouraged to make use of pastoral care services as well.
