

## Adherence & Safety

Medication adherence and safety is our first priority. Our pharmacists can coordinate discharge medications with your physician before you leave the hospital, decreasing the chance for unwanted drug duplications or interactions, while increasing your compliance.

McLaren Pharmacy can also verify that the medication you will be taking at home is the correct amount for you and scheduled at the right time. With clinical pharmacists in multiple practice settings, we can stay abreast of our patient's complete medication history and facilitate any interventions with your physician. Working together, we can assure that you get the benefits you expect from your medications.

# DischargeRx

*Bedside delivery of your prescriptions*

A decorative graphic consisting of a network of green dots connected by thin lines, forming a shape that resembles a stylized 'M' or a cluster of nodes.

## Ask your nurse to use DischargeRx

Let McLaren Pharmacy take the hassle out of getting your prescriptions filled. Ask your nurse to use DischargeRx and our retail pharmacy will fill and deliver your prescription to you before you leave the hospital.

### Convenience is Key

- › Fast, friendly service at your hospital bed
- › No need to wait for prescriptions to be filled on your way home
- › Avoid delays and multiple trips to the pharmacy - we work with your physician to address your needs prior to discharge
- › Start medications as soon as you arrive home
- › Automatic refill orders can be filled at one of our convenient McLaren Pharmacy locations
- › Our inpatient and retail pharmacists work together to meet your medication needs

### Easy to Use While in the Hospital

1. Inform your nurse, case manager or physician that you want to use DischargeRx
2. Our Customer Service Coordinator will deliver your prescriptions to your bedside before you leave the hospital
3. Delivery is free - only your usual prescription co-pays will be collected

For more information, please contact us anytime during your hospital stay with the information on the back panel of this brochure.
