Family Medicine Clinic

Where expert care and education meet

 **McLaren**
ORTHOPEDIC HOSPITAL

Comprehensive care, one location

At McLaren Greater Lansing's Family Medicine Clinic we provide expert care for patients for all ages and medical conditions. This includes prenatal care, care of newborns, children, adolescents, adults, and seniors.

Our Values

The Family Medicine Clinic is a unique approach to health care and graduate medical education in our community. The health of our community is a priority for our clinic. We offer:

- › Quality patient-centered primary care
- › Health promotion
- › Disease prevention
- › Osteopathic medicine principles with focus on the "whole" patient rather than the disease

Who We Are

Our team of physicians will provide comprehensive and compassionate health care. Experienced faculty physicians work closely with our family medicine residents. The residents are physicians completing an additional three-year program focused on the specialty of family medicine.

What We Provide

The Family Medicine Clinic provides everything you would need to see a primary care physician for. Some of the things we offer are:

- › Well child and adult visits
- › Geriatric care
- › Immunizations
- › Comprehensive disease management
- › Patient education and health instruction
- › Office procedures: skin care, female health, heart (ECGs), lungs (spirometry)
- › Osteopathic Manual Medicine: a hands-on approach to disease management "whole" patient rather than the disease
