Women's Health Services

*Obstetric and gynecological care
for women of all ages.*

A woman changes. Her doctor doesn't have to.

Professional, personalized care for every season of life

Women of all ages need a compassionate health care practitioner who understands their concerns and needs. At the obstetric and gynecologic practices of McLaren Greater Lansing, we understand these needs and how they change over time. We provide all aspects of women's care and offer a full range of obstetric and gynecologic services, including specialized services such as pregnancy care, family planning and surgical procedures.

Supportive, qualified staff

In addition to our board certified physicians, our staff includes a highly qualified support team of nurses, sonographers, medical assistants and medical receptionists. While all our physicians are fully qualified to care for all aspects of your health, they also have specializations that might be of interest to your particular needs.

Supported by a major hospital system

Our physicians practice exclusively at McLaren Greater Lansing, which brings optimal patient care, access to advanced technology and the newest facilities.

Birthing Center

Designed to meet the needs and desires of mothers-to-be, McLaren's Birthing Center combines the feel of a birthing center with the technology of the region's largest hospital system.

To learn more, visit mclaren.org/lansingbirthingcenter.

Chi Heart & Surgery Center

Completed in 2007, McLaren's Chi Heart & Surgery Center offers our doctors the newest technology and facilities for surgical interventions. You'll enjoy the center's private patient rooms, spacious layout and personal care from our staff.

A physician is always available

Even when our offices are closed, our patients can call to speak with a physician. During office hours, we quickly schedule urgent appointments.

Compassionate care, close to home

Now with services provided in Charlotte, DeWitt, Eaton Rapids, Grand Ledge and Okemos, compassionate care has never been closer to home.
