Neuromusculoskeletal Medicine

## MEDICAL EDUCATION

Midwestern University Chicago  
College of Osteopathic Medicine  
Downers Grove, IL

## RESIDENCY TRAINING

Family Medicine  
University of Illinois at Chicago  
Oak Lawn, IL

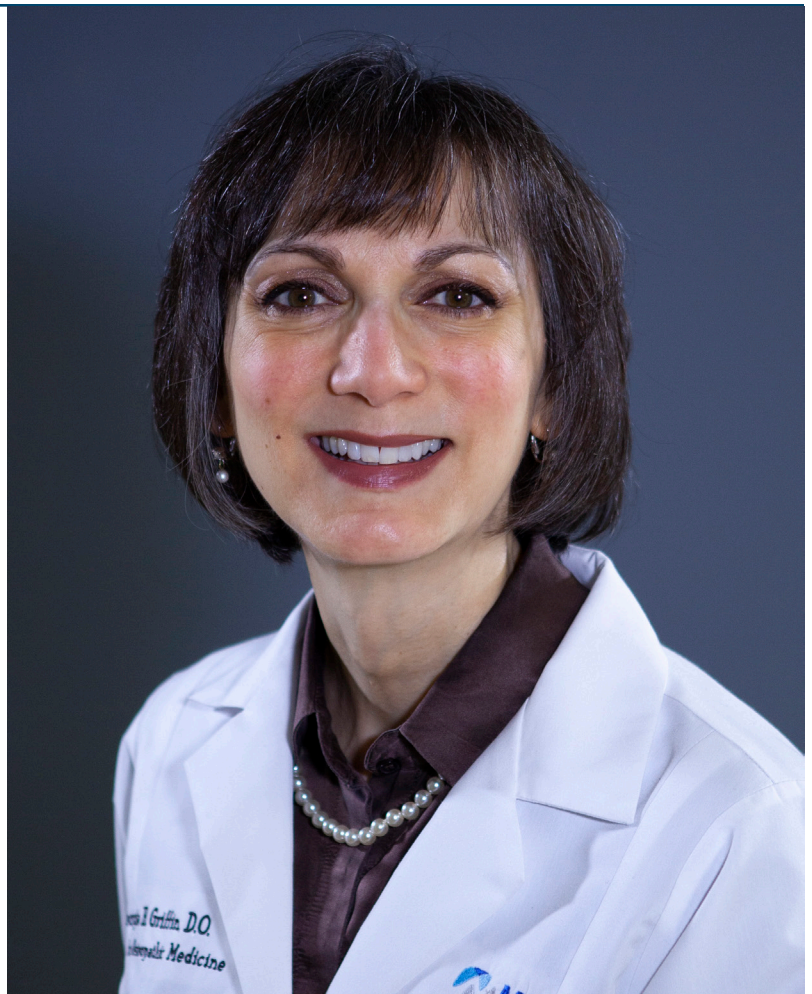

As an osteopathic manipulative medicine specialist, Dr. Griffin has experience with:

- Optimizing musculoskeletal, visceral, and vascular function by addressing areas of tenderness, asymmetry, restrictions of motion, and tissue texture changes via osteopathic manipulative technique
- Patient-focused exams addressing the relationships of body, mind, and spirit

MACOMB

DOING WHAT'S BEST.®

McLaren Macomb - Osteopathic Manipulative Medicine is focused on providing high quality, patient-centered care efficiently and conveniently. Our staff works together to ensure your time in our waiting room is limited and the time with the provider is thorough. Osteopathic Manipulative Treatment (OMT) is used to help patients with a myriad of musculoskeletal and visceral dysfunctions, such as back pain, migraines, asthma and sinus disorders.
