DOING WHAT'S BEST.®

ABOUT US

At McLaren Macomb we understand that our youngest patients need special care. Our dedicated team of physicians and staff provide high-quality, patient-centered care that is individualized and age-specific to each child. The family is always included in decisions regarding treatment and care plans. Working together, we can maximize the health of your child or provide optimum recovery from illness or injury. We are proud to provide exceptional care to infants, children, and adolescents in a friendly and professional setting.

OUR PROVIDERS

Our physicians are recognized in the community for their outstanding care and dedication. They have diverse backgrounds that shape the way they provide care to their patients. For more information on our providers, visit mclaren.org/macomb.

SERVICES

Whether you are visiting for a routine wellness exam or an illness, you can be assured that our focus is on the unique needs of your child and family. Some of the services our offices provide include:

- Developmental screening
- Treatment of common illnesses and injuries
- Consultations for good nutrition
- Immunizations and vaccinations
- Sports physicals

For a detailed list on services we provide, visit mclaren.org/macomb.
