

# FOCUSED HEALING FOR BETTER OUTCOMES

At the McLaren Wound Care Clinic, we specialize in treating acute and chronic hard-to-heal wounds in adult patients. Our specialized team of doctors and nurses is solely dedicated to treating wounds. We follow national guidelines based on clinical evidence when treating and managing wounds.

The types of wounds we treat include:

- Burns – first and second degree
- Vascular leg ulcers
- Diabetic foot ulcers
- Pressure ulcers
- Surgical or traumatic wounds
- Wounds caused by edema (swelling)
- Traumatic wounds
- Cancer related wounds, radiation treatment burns

Our goal is to ensure your wound has the best chance to resolve quickly and without complications. We are available Monday- Friday. Call our office for an appointment.
