SIGN-IN CHECKLIST COMPLETE

Time-Out (prior to incision)

(Proceduralist Led)

Proceduralist to team:

- Attention! We need to do a Time-Out
- Introduce anyone unknown to the patient
- This is [full patient name]
- We are doing [procedure/site/laterality} as stated on the consent.
- Site marked (if applicable)
- Review of patient allergies if indicated.

Registered Nurse to the team:

- Confirms all medications are properly labeled and on the field.
- Are there any equipment issues or concerns?
- Fire risk assessment completed

Proceduralist to the team:

- Have all concerns been addressed?
- Does everyone agree we are ready to go?

TIME-OUT CHECKLIST COMPLETE

Sign-Out (prior to departure)

(Registered Nurse Led)

Proceduralist to the team:

- We performed a [procedure].

Registered Nurse to the team:

- Wound classification?
- I have [#] specimens and have labeled them as [patient name, specimen, etc.].
- Are there special instructions for the pathologist?
- Are there any equipment issues to be addressed?
- What are the key concerns for recovery and management of this patient?
- Is there anything we could have done better?

SIGN-OUT CHECKLIST COMPLETE
