Wayne State University
Detroit, MI

As a family medicine physician, Dr. Thiel has experience with:

- Preventive care for all stages of life
- Diagnosis and management of chronic diseases including diabetes, high blood pressure, and asthma
- Annual exams and testing
- Ensuring vaccinations are up to date
- Coordinating with specialty care as needed

DOING WHAT'S BEST.

McLaren Thumb Region - Primary Care is focused on providing exceptional quality care, efficiently and conveniently. Our staff works together to ensure your time in our waiting room is limited and the time with the provider is thorough.

Dr. Thiel is focused on primary care medicine, with a particular interest in women's health. She is passionate about providing high quality, patient-centered care for men and women of all ages in our community.

Same-day and next-day appointments are often available.

Schedule appointments online, anytime at mclaren.org/appointments.
