RESIDENCY TRAINING

Otorhinolaryngology and
oro-facial plastic surgery
Mt. Clemens General
(now McLaren Macomb)
Mount Clemens, MI

MEDICAL EDUCATION

Des Moines University
College of Osteopathic
Medicine and Surgery
Des Moines, IA

As an otorhinolaryngology and oro-facial
plastic surgery physician, Dr. Demello has
experience with:

- Recurring ear infections
- Tinnitus (ringing or noise in the ear)
- Sinus infections - including chronic sinusitis
- Tonsillitis
- Abnormal growths in the neck or vocal cords
- Dysphagia (difficulty in swallowing)
- Chronic sore throat
- Meniere's disease

DOING WHAT'S BEST.

Dr. Demello has many years of practice providing specialized care and treatment for a wide range of ear, nose and throat conditions. He holds an additional certification in oro-facial plastic surgery that qualifies him to care for a broader and higher complexity range of conditions along with cosmetic procedures.
