

Meet McLaren

OUTPATIENT REHABILITATION SERVICES

When daily life is adversely affected through aging, trauma, or disease, occupational, physical, and speech therapy helps our patients regain strength and skills. Physicians and patients choose McLaren Greater Lansing for our expertise in treating both the most complex and most common conditions relating to illness and injury. Our rehabilitation program helps individuals lead more independent and fulfilling lives. Staff exemplify the skills, compassion, and professionalism to work with patients of all ages.

Conditions and diagnoses treated include but are not limited to:

- Back and neck pain relief and prevention
- Strains, sprains, and fractures
- Arthritis
- Osteoporosis
- Nerve and ligament injuries
- Joint and soft tissue injuries
- Stroke
- Cognitive communication disorders
- Parkinson's disease
- Repetitive stress injuries
- Sports injuries
- Plantar fasciitis
- Pelvic pain and incontinence
- Post-surgical rehabilitation
- Amputations
- Dysphagia
