

FLINT

Greetings!

Your spine doctor is a member of Michigan Spine Surgery Improvement Collaborative, known as MSSIC. With your doctor and MSSIC, McLaren Flint works to improve patient results.

You can help us improve by doing the enclosed survey, as we value your response. All surveys are kept private. This survey is done around 90-days, 1-year, and 2-years after surgery.

Your response helps us improve future spine surgeries. After you complete the survey, please mail it in the supplied paid envelope.

Please contact McLaren Flint at 810-342-2462 with questions.

Best,

A handwritten signature in cursive script that reads 'Melissa Jordan'.
