Personal Identification Number (PIN)

Dear Patient,

McLaren Thumb Region is committed to protecting the Privacy of your health information. As you become a patient of McLaren Thumb Region, in any of our services or programs, we will work to keep all information about you private. (Please read our Notice of Privacy Practices for more information.) We are not permitted to share any information with your family members or friends, unless you allow us to do that.

The number below is your privacy "PIN" number. It belongs only to you, and will change each time you are admitted to the hospital. You may share this number with anyone that you wish to be able to obtain general information about you, while you are a patient of McLaren Thumb Region.

Please be careful to protect this number, and give it only to those persons you wish to have access to your private health information. We will not give any information to anyone who cannot tell us the correct PIN number for you. The information we share will be general, not specific.

Patient Name: _____

PIN: _____ Date: _____
