Faster procedure times and recovery

Delivers innovative solutions in cancer treatments

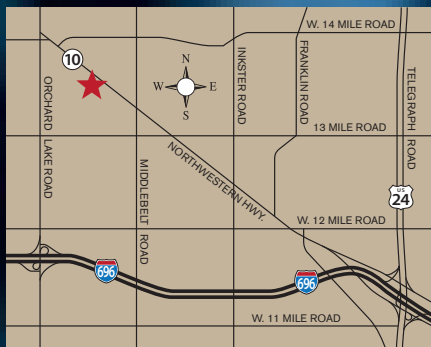

Develops, tests and implements breakthrough, image-guided  
treatments

**YOUR BEST CHANCE.  
1-800-KARMANOS**

Karmanos Cancer Institute's team of interventional radiologists are medical doctors sub-specialty trained and certified by the American Board of Radiology. Using real-time images from X-ray, CT, ultrasound or MRI, interventional radiologists deliver minimally invasive, targeted treatments that result in quick recoveries.

To refer a patient, please contact the Karmanos Referring Physician Office at **1-877-KARMANOS** (1-877-527-6266), email [refer@karmanos.org](mailto:refer@karmanos.org) or visit [karmanos.org/refer](http://karmanos.org/refer) to access the online referral form.
