Notice About Lab Results

Lab and imaging results are now sent to your patient portal account as soon as they are shared with your provider. Please note, your provider's office will contact you to discuss your results. Remember, your provider may not have reviewed the information before you do. Because of this, it may be several days after the results are posted before your provider's office contacts you. We appreciate your patience while your healthcare provider thoroughly reviews your results and develops a plan of care.
