

WELCOME PATIENTS AND VISITORS

1. To maintain the safest environment for care, all who enter our office are to wear a mask.
2. If you have tested positive for COVID in the last five days, or suspect you have COVID, please call the office at (_____) _____ before entering. A member of our staff will give you directions for next steps.
3. If you have any of the following symptoms, please let the clinic staff know:
 - Fever $\geq 100.4^{\circ}\text{F}$
 - Shortness of breath
 - Congestion or runny nose
 - Loss of smell/taste
 - GI symptoms - diarrhea, vomiting, nausea
 - Muscle pain
 - Sore throat
 - Headache

Thank you for doing your part in maintaining the health and safety of our community.

DOING WHAT'S BEST.™
