As a urogynecology specialist, Dr. Agosta has experience with:

- Female urinary incontinence (loss of bladder control)
- Pelvic organ prolapse (the dropping down of female pelvic organs including bladder, vagina, or rectum due to loss of vaginal support)
- Rectal incontinence (accidental leakage)

McLaren
DOING WHAT'S BEST™

As the population ages, it is projected that more than 43 million women will suffer from some type of pelvic floor disorder. McLaren Women's Pelvic Wellness Clinic is prepared to meet the complex needs of patients with compassionate care, expert diagnosis, and specialized treatment options with the ultimate goal to help women regain a healthy, higher quality of life.

McLaren Women's Pelvic Wellness Clinic works with each patient to develop treatment plans to meet each woman's individual needs and lifestyle.
