Supporting Breastfeeding Mothers.

McLaren Flint strives to provide a supportive work environment to meet the needs of breastfeeding employees.

The Lactation Room is a comfortable, private space exclusively for their use. Located on 8 South near the employee service elevator, the room is designed to accommodate the needs of breastfeeding moms while they are at work. Features include two semi-private seating areas, a sink, reference books, and Medela breast pumps. The secure room is available 24

hours a day, every day, and accessible only to those mothers granted badge access, the LDRP Nurse Manager, and select members of Housekeeping.

Mothers need to bring their own pump supplies (pumps, bottles, membranes, breastshields, etc.)

Spec Info:

If you are currently a breastfeeding mother and are interested in using the Lactation Room, please email rebecca.hoyt@mcclaren.org.
