## Lung cancer screening

McLaren Flint offers a specialized program to help eligible patients receive a simple, painless chest CT scan. This screening is covered 100% by most insurances. Our comprehensive lung screening program is accredited by the American College of Radiology (ACR).

## Eligibility requirements

- Adults, age 50-80 years
- Asymptomatic patients
- Tobacco smoking history of at least 20 pack-years
- Current smoker or one who has quit smoking within the last 15 years

## Getting screened for lung cancer

Lung cancer screenings require a written order from a primary care provider. Once patients receive their screening order, they can schedule their lung screening at:

### McLaren Flint Imaging Center

501 S. Ballenger Highway, Flint, Michigan 48532  
Phone: (810) 342-4800

### McLaren Fenton

2420 Owen Road, Fenton, Michigan 48430  
Phone: (810) 496-2430
