As a family medicine physician,
Dr. Wilkins has experience with:

- Preventive care for all stages of life
- Diagnosis and management of chronic diseases including diabetes, high blood pressure, and asthma
- Annual exams and testing
- Ensuring vaccinations are up to date
- Coordinating with specialty care as needed

DOING WHAT'S BEST.®

McLaren Primary Care - West Branch is focused on providing high quality, patient-centered care efficiently and conveniently. Our staff works together to ensure your time in our waiting room is limited and the time with the provider is thorough. Our goal is to keep patients healthy with preventive care and the management of chronic diseases including high cholesterol, hypertension and diabetes. We provide care for patients of all ages, from pediatrics to geriatrics.
