

Why we ask for your email address

McLaren Health Care believes in empowering patients to manage their health by providing convenient access to their health information. That's why we've created My McLaren Chart, a secure online portal where patients will be able to access their medical information *24 hours a day, seven days a week*.

We request an email address from our patients so that a secure invitation to join My McLaren Chart can be sent directly to their email after their visit with us.

With a free My McLaren Chart account, patients can:

- ❖ Access their medical information 24 hours a day, seven days a week
- ❖ Review clinical summaries and care instructions about recent visits
- ❖ Get lab and test results

With a valid email address, we will send you an invite to MyMcLaren Chart. **In addition, we will be able to send you a feedback survey about your visit.** This will enable us to learn about your experience, allowing us to make improvements as we strive towards patient-centered care.

Thank you for your cooperation!
