As a physician assistant, Allison has experience with:

- Preventive care
- Diagnosis and management of chronic diseases including diabetes, high blood pressure, and asthma
- Annual exams and testing
- Ensuring vaccinations are up to date
- Coordinating with specialty care as needed
- Dermatologic procedures including cryotherapy, punch biopsies, shave biopsies, cyst removal and excisions
- Women's health including annual gynecologic physicals and screenings, contraceptive counseling, pregnancy care, and menopause management

DOING WHAT'S BEST.®

McLaren Central - Pickard Street Primary Care is focused on providing high quality, patient-centered care efficiently and conveniently. Our staff works together to ensure your time in our waiting room is limited and the time with the provider is thorough. Our goal is to keep patients healthy with preventive care and the management of chronic diseases including high cholesterol, hypertension and diabetes. We provide care for patients ages 12 and older.

**McLaren Central - Pickard Street Primary Care**
