NOTICE OF PRIVACY PRACTICES Version Effective June 2022 McLaren

This notice describes how health information about you may be used and disclosed and how you can get access to the information. Please review it carefully.

WHY WE PUBLISH THIS NOTICE ON OUR WEBSITE
 McLaren Health Care ("McLaren") provides health care to our patients in partnership with affiliated health care providers and other professionals and organizations in an integrated health care environment. Because we are affiliated with these other professionals and organizations, we are required to disclose certain information about you to them. This notice will be posted on our website to help you understand the privacy practices we use in our health care environment.

How Health Care Professionals and Organizations Use Health Information
 Health care professionals and organizations use health information to provide you with the best care possible. They use health information to:

- Diagnose and treat you, and to provide you with health care services.
- Communicate with other health care professionals and organizations to coordinate your care.
- Conduct research to improve health care services.
- Plan and evaluate health care services.
- Manage your health care services.
- Provide you with information about your health care services.
- Provide you with information about your health care services.
- Provide you with information about your health care services.

How We Use and Disclose Your Health Information
 We use and disclose your health information to provide you with the best care possible. We use and disclose your health information to:

- Diagnose and treat you, and to provide you with health care services.
- Communicate with other health care professionals and organizations to coordinate your care.
- Conduct research to improve health care services.
- Plan and evaluate health care services.
- Manage your health care services.
- Provide you with information about your health care services.
- Provide you with information about your health care services.
- Provide you with information about your health care services.

How We Protect Your Health Information
 We use a variety of measures to protect your health information. We use physical, administrative, and technical safeguards to protect your health information. We also use privacy policies and procedures to protect your health information.

How You Can Access Your Health Information
 You have the right to access your health information. You can access your health information by logging into our patient portal or by contacting our patient services department.

How You Can Control Your Health Information
 You have the right to control your health information. You can control your health information by providing us with instructions on how to use and disclose your health information.

How You Can File a Complaint
 You have the right to file a complaint if you believe we have violated your privacy rights. You can file a complaint with the U.S. Department of Health and Human Services or with the state attorney general.

How We Contact You
 We will contact you if we need more information to provide you with the best care possible. We will contact you by mail, email, or phone.

How We Update This Notice
 We will update this notice if we change our privacy practices. We will post the updated notice on our website.

How We Contact You
 We will contact you if we need more information to provide you with the best care possible. We will contact you by mail, email, or phone.

How We Update This Notice
 We will update this notice if we change our privacy practices. We will post the updated notice on our website.
