Your Housekeeping Services Team follows a three-step process to clean your room:

1

Your trash and medical waste will be changed daily and as needed.

2

Your room will be vacuumed using an ULPA filtered system for a cleaner environment.

3

Your room and restroom will be disinfected daily to achieve the highest level of cleanliness.

Please contact the **Housekeeping Department** at ext. **22069** if you have any compliments, questions or concerns.

We are here for your needs each and every day!
