A TEAM OF PROFESSIONALS
We have assembled a team of highly skilled professionals including:

- Physical Therapists**
 - Physical Therapists help patients restore function, improve mobility, relieve pain, and prevent or limit permanent physical disabilities related to injuries or disease. They also assist patients in returning to routine activities and help athletes "get back in the game!"
- Occupational Therapists**
 - Occupational Therapists help patients improve their ability to perform tasks in working and living environments. They also assist patients to improve/restore motor function and learn compensation when loss of function is permanent.
- Speech and Language Pathologists**
 - Speech Pathologists are experts in the study of communication and swallowing problems. They evaluate and assist patients with problems involving language, voice, speech, swallowing, cognitive skills, and traumatic brain injury symptoms.
