DOING WHAT'S BEST.®

The environmental services and infection prevention teams at McLaren follow best practices in infection control as defined by the Centers for Disease Control and Prevention (CDC), ensuring each patient room and frequently touched surface is properly sanitized for your safety. Frequently touched surfaces include:

- Doorknobs/Handles
- Light switches
- Telephones
- Remote controls
- Bed controls and rails
- Sink faucets
- Toilet flush handles and seats
- Restroom support rails
- Bedside tables and nightstands
- Chair arms

Bed linen will be changed as needed or when requested.

Please call **(810) 342-0000** if there is anything we can provide for you. Thank you for choosing McLaren Flint for your care.
