**NOTICE OF PRIVACY PRACTICES**

**McLaren Health Care**

This notice describes how health information about you may be used and disclosed and how you can get access to the information. Please review it carefully.

**WHY WE NEED YOUR HEALTH INFORMATION AND HOW WE USE IT**

McLaren Health Care ("McLaren") provides health care to our patients in partnership with physicians, health care providers, and other professionals and organizations in an integrated health care environment. Reasonable steps are taken to protect your health information from unauthorized access, use, or disclosure. This notice describes how we use and disclose your health information in the following ways:

- To provide you with health care services.** We use your health information to provide you with health care services, including diagnosis, treatment, and coordination of care. We may use your health information to provide you with health care services, including diagnosis, treatment, and coordination of care. We may use your health information to provide you with health care services, including diagnosis, treatment, and coordination of care.
- To coordinate and manage your care.** We use your health information to coordinate and manage your care, including diagnosis, treatment, and coordination of care. We may use your health information to coordinate and manage your care, including diagnosis, treatment, and coordination of care.
- To improve the quality of our services.** We use your health information to improve the quality of our services, including diagnosis, treatment, and coordination of care. We may use your health information to improve the quality of our services, including diagnosis, treatment, and coordination of care.
- To conduct research.** We use your health information to conduct research, including diagnosis, treatment, and coordination of care. We may use your health information to conduct research, including diagnosis, treatment, and coordination of care.
- To contact you about your care.** We use your health information to contact you about your care, including diagnosis, treatment, and coordination of care. We may use your health information to contact you about your care, including diagnosis, treatment, and coordination of care.
- To bill for services.** We use your health information to bill for services, including diagnosis, treatment, and coordination of care. We may use your health information to bill for services, including diagnosis, treatment, and coordination of care.
- To comply with legal requirements.** We use your health information to comply with legal requirements, including diagnosis, treatment, and coordination of care. We may use your health information to comply with legal requirements, including diagnosis, treatment, and coordination of care.

**YOUR RIGHTS**

You have the right to:

- Access and review your health information.
- Request corrections to your health information.
- Request restrictions on the use and disclosure of your health information.
- Request confidential communications.
- Request a copy of this notice.
- File a complaint with the U.S. Department of Health and Human Services.

**HOW TO GET A COPY OF THIS NOTICE**
