NOTICE OF PRIVACY PRACTICES Version Effective June 2022 McLaren

This notice describes how health information about you may be used and disclosed and how you can get access to the information. Please review it carefully.

WHY WE NEED YOUR HEALTH INFORMATION AND HOW WE USE IT

McLaren Health Care ("McLaren") provides health care to our patients in partnership with affiliated health care providers and other professionals and organizations. It is important that we understand how your health information is used and disclosed. If we do not follow the privacy practices described in this notice, we may be in violation of the law.

Individuals Involved in Your Care or Payment for Care We may share health information about you with a friend or family member who is involved in your health care, with others who help manage or monitor your care, or with others who are involved in your care. You may have the right to limit or restrict our use and disclosure of your health information in these situations.

Research We may use health information about you for research purposes. Research is a process of studying, testing, or evaluating a new idea, product, or service. Research is done to learn more about a disease, condition, or treatment. Research is done to improve the health of people. Research is done to learn more about a disease, condition, or treatment. Research is done to improve the health of people. Research is done to learn more about a disease, condition, or treatment. Research is done to improve the health of people.

Business Operations We may use health information about you for business operations. Business operations are the day-to-day activities of a business. Business operations include things like billing, scheduling, and customer service. Business operations are the day-to-day activities of a business. Business operations include things like billing, scheduling, and customer service.

Marketing and Promotional Purposes We may use health information about you for marketing and promotional purposes. Marketing and promotional purposes are the activities of a business to attract customers. Marketing and promotional purposes include things like advertising, sales, and public relations. Marketing and promotional purposes are the activities of a business to attract customers. Marketing and promotional purposes include things like advertising, sales, and public relations.

Legal Requirements We may use health information about you for legal requirements. Legal requirements are the laws and regulations that govern the use of health information. Legal requirements include things like the Health Insurance Portability and Accountability Act (HIPAA). Legal requirements are the laws and regulations that govern the use of health information. Legal requirements include things like the Health Insurance Portability and Accountability Act (HIPAA).

Other Uses We may use health information about you for other purposes. Other purposes are the uses of health information that are not covered by the other categories. Other purposes include things like quality improvement, accreditation, and research. Other purposes are the uses of health information that are not covered by the other categories. Other purposes include things like quality improvement, accreditation, and research.

Your Rights You have the right to know how we use and disclose your health information. You have the right to limit or restrict our use and disclosure of your health information. You have the right to request that we correct or delete your health information. You have the right to request that we stop using or disclosing your health information for a particular purpose. You have the right to sue us for damages if we do not follow the law. You have the right to sue us for damages if we do not follow the law.

How to Contact Us If you have any questions about this Notice of Privacy Practices, or questions or comments about the handling of your health information, you can contact the Information Privacy Officer.
