

McLAREN FLINT NEUROLOGIC REHABILITATION INSTITUTE

Our program is the most comprehensive program of its kind in Genesee County. Our staff is certified by the Brain Injury Association of America. We offer many educational support groups, including stroke and Parkinson's disease.

Our Services Include:

- Physical Therapy
- Occupational Therapy
- Speech Therapy
- Driving Evaluations
- LSVT
- Vocational Referrals
- Cancer Rehabilitation

We also have specially trained staff including

Connie Zuba, PT, DPT, NCS, CBIS, a board-certified clinical specialist in Neurologic Physical Therapy by the American Board of Physical Therapy Specialties of the American Physical Therapy Association. With this certification Connie specializes in treating individuals with neurologic conditions including post stroke, Parkinson's disease, Multiple Sclerosis, brain injury, and other neurologic conditions.

"Becoming a board-certified clinical specialist in neurologic physical therapy demonstrates a commitment to pursuing the highest level of skill with which to best care for patients."

"Pursuing a specialty required intense studying and reviewing the most up-to-date research in treatments for a variety of neurologic conditions. I have advanced my clinical knowledge and skills to provide the most evidence-based approaches to my treatment plans and assist my client's in reaching their goals for physical therapy."
