Emergency Room registration.**

Check in online. Choose a time that works for you. We'll save your spot so you can wait in comfort, whenever you would like.

- Visit mclaren.org/FlintER online and select an available time, or check in at our emergency room.
- Once you arrive, sign in on the iPad in the waiting room to let us know you are here.
- We will make every attempt to see you promptly. Please note that your time slot is an estimate. Due to emergencies, some patients may not be seen in the order of arrival.
- We will notify you via text message if your estimated time changes due to unforeseen circumstances.

During times of high patient volume, you may be asked to wait in the waiting room and even receive care there as well. Our goal is to provide life-saving care to those with serious injuries and conditions and get all patients feeling better quickly and safely. Wait times during busy periods may be longer than expected, and the number of patients whose conditions may be more serious than yours. We understand waiting can be frustrating and we do our best to keep wait times to a minimum.
