The image shows a detailed form for an anesthesia record. The header includes the title "ANESTHESIA RECORD" and "MCLAREN THUMB REGION". Below the header, there are fields for "DATE", "PAGE" (with "OF" and "PAGES SURVIVED" indicators), and "PROCEEDURE". The main body of the form is a large grid with multiple columns and rows, designed for recording patient data during surgery. The grid is divided into several sections, with a "TOTALS" section at the bottom right. The form is intended for use in an operating room to track anesthesia administration and patient vital signs.
