

CARING FOR YOU EVERY STEP OF THE WAY

Staying within McLaren
benefits your care

Establishes a team-based coordination of care

Having your health records, test results and provider notes in one system gives your entire care team a more detailed picture of your medical history and timely, convenient access to your test results.

Leads to better quality health care

Providing your care team easy, convenient access to your health records and test results ensures that all team members are up to date on your condition and actively involved with your care management.

Enhances your overall experience

Streamlining doctors' access to your health records promotes expedited care decisions and better communication between you and your care team, empowering you to be an informed, active participant in your care.

Helps control the overall cost of your care

Using a team approach can save doctors' resources and reduce redundancy, providing you with control over the ultimate costs of your care.
